Century 21 South Africa

Century 21 Real Estate, has been named the #1 Fastest Growing Franchise in the Entrepreneur 2021 list of the Fastest Growing Franchises, published in the magazine's March issue. Celebrating its 50th anniversary this year, the global industry leader currently boasts a network of 145,000 affiliated sales professionals in approximately 13,000 offices across 86 countries and territories worldwide.

Impressively at the same time in another Global Survey conducted by Franchise Direct – Top 100 Franchises 2021, Century 21 achieved the number one spot globally for a Property Franchise Company.

Achieving this top ranking further cements the CENTURY 21® brand's position as a global powerhouse not just within the real estate industry but among the world's top franchise companies across categories having achieved the top real estate brand ranking in the magazine's Franchise 500.

According to Harry Nicolaides, CEO at Century 21 South Africa, "At Century 21 South Africa we're constantly pushing ourselves and our South African Franchisees and Agents to commit in delivering the extraordinary with industry-leading technology, exceptional learning platforms and unique programs focused on driving business growth that is resonating with industry professionals around the whole country and allowing them to reach their goals to grow personally. We are a Proudly South African Company affiliated to a Global Leader in Real Estate".
